

*Have you been affected by memory loss?*

Check out our fun, safe, welcoming, and supportive community where you'll find resources, moments of **JOY**, and an understanding ear!

The Mesa Memory Café is free for anyone living with memory impairment (such as Alzheimer's or other dementia) alongside their family, care partner, or loved one. Join a cognitive engagement activity or care partner support group after enjoying hot coffee and assorted pastries together with new friends who walk a similar path as yourself. Our team of community partners and dementia experts will support you along your journey with dementia.
